

VALUE CHAIN

At HKScan, we have unique know-how on the entire meat value chain, and we are committed to operating responsibly every step of the way. The Group’s daily business covers all parts of the value chain from customer and consumer cooperation to feed and primary production.

By continuing to respond effectively to changing needs and expectations in the market, we can improve our profitability and develop our operations sustainably, bringing value to our business as well as to consumers, our partners and other stakeholders.
